**YOUR JOB DONE RIGHT.**

Quality general contracting and  
construction management since 1999.

# LOMBARDI

when honor counts

It's about staying true to your word,  
and it starts with an  
**HONEST HANDSHAKE.**

We focus on delivering quality work, on time  
and within budget – not just some of the time,  
**ALL THE TIME.**

## WHEN HONOR COUNTS

IT IS AN HONOR TO  
PURSUE A WORTHY  
PROFESSION WITH  
LOVE AND PASSION.  
HONOR MEANS ALWAYS  
FOLLOWING THROUGH,  
DOING WHAT WE  
SAY WE WILL AND  
PRODUCING WORK  
WE'RE PROUD TO  
STAND BEHIND.

No surprises, just results.  
We always find a way to satisfy.

At Lombardi, we believe the answer is “yes.” Bring us your dreams and we'll find a way to make them a reality. When you entrust us with your building project, you're gaining a partner, not just a contractor. We're as committed to achieving your goals as you are – our job isn't finished until you're satisfied.

Our emphasis on the project, not  
the contract, means you can count  
on first-rate construction and a  
great value for your investment.

With our focus on value engineering, we can get your job done – and done right – for less than you might expect. Lombardi delivers value by putting our diverse experience, advanced construction management tools and unyielding commitment to quality to work for you.

As a full-service company, we not only act as a general contractor, but as a subcontractor as well. We have the ability to self-perform a variety of tasks, helping you bring added value to any project.

### Trust Lombardi for:

- › Industry-leading planning, estimating, scheduling and construction management.
- › An expert, hardworking team of skilled professionals.
- › Open, honest and thorough communication.
- › Quality you'll be proud to call your own.

Focusing on value and  
community, we are your  
construction experts.

Since 1999, Lombardi Construction has engineered value into communities across the United States. Our diverse portfolio includes major public, commercial and residential projects across various industries. We're committed to enhancing each community through quality buildings that stand the test of time.
